ABOUT THE CONFERENCE

The Midlife Woman Empowerment Conference is an annual experience designed to inspire, educate, and empower women navigating the transitions of midlife hosted by Dr. Arlonda Stevens, Founder of Midlife Renaissance Collective. We are excited that this is our 4th year!

Through keynote speakers, expert panels, wellness education, interactive experiences, and authentic community, attendees gain practical tools, renewed confidence, and a clearer vision for their next chapter.

Our goal is to engage and empower 100 women through meaningful conversations, wellness education, personal growth, and community connection that inspires lasting transformation.

Expected Attendance: 75–100 Women who are in their midlife season (40+)

WHY THIS WORK MATTERS

Midlife is one of the most transformative seasons in a woman's life.

Women are often navigating changing health needs, caregiving responsibilities, career transitions, retirement decisions, relationship shifts, grief, and evolving questions about identity, purpose, and legacy.

The Midlife Woman Empowerment Conference creates space and community for women to pause, reflect, reconnect, and move forward with greater clarity, wellness, purpose, and confidence.

A woman who is well—emotionally, physically, mentally, and spiritually—creates a ripple effect that strengthens families, workplaces, and communities.

ABOUT MIDLIFE RENAISSANCE COLLECTIVE

The Midlife Renaissance Collective (MRC) equips and empowers purpose-driven women to navigate the changes and transitions of midlife with confidence, clarity, and intention. Grounded in four core pillars—*Identity & Purpose, Health & Well-Being, Relationships & Connection, and Legacy & Lifestyle Design*. The ultimate goal is for women to intentionally design their midlife chapter with intentionality and that is aligned with who they are in this season so that they experience "greater in their later" – greater joy, greater peace, greater love and greater fulfillment.

MRC provides coaching, community, educational programs, and transformative experiences that help women embrace this season as an opportunity for personal renewal, reinvention, renaissance, enabling the women to have greater impact in the family and the community.
